: MEMORANDUM AND ORDER

There are currently a number of plaintiffs who have not adhered to certain case management requirements that this Court has imposed on all *Welding Fume* cases. As the Court explained in its Order on the master docket dated March 25, 2011, these requirements apply equally to all cases, whether the plaintiff is represented by counsel or is proceeding *pro se*.

Accordingly, the Court makes clear that the following plaintiffs must file the required documents listed within the deadlines set out below.¹ If the plaintiff fails to file the required documents by the applicable deadlines, his case will be dismissed for want of prosecution. Plaintiff's Liaison Counsel² will: (1) attempt to ensure this information is received by the plaintiffs listed below; and (2) assist any *pro se* plaintiff who seeks explanation.

The Court **ORDERS** the clerk of courts to docket this Order on the master docket and also on each individual case docket.

¹ The deadlines listed are simply the next ones required. The Court may later issue other Orders requiring each plaintiff to meet other necessary deadlines.

² Plaintiff's Liaison Counsel, Gwen Hennessey, may be reached at 877-621-1228, or 216-621-8484.
